

## AGNIESZKA JAWORSKA

Department of Philosophy  
University of California, Riverside  
HMNSS Building, Room 1604  
900 University Avenue  
Riverside, CA 92521  
Tel: (609) 558-8595  
Fax: (951) 827-5298

28591 Rancho Grande  
Laguna Niguel, CA 92677  
(949) 643-2790

[jaworska@ucr.edu](mailto:jaworska@ucr.edu)

### ACADEMIC POSITIONS

Associate Professor, Department of Philosophy, University of California, Riverside, 2008-present

Assistant Professor, Department of Philosophy, Stanford University, 1999-2008

Other affiliations in connection with this appointment:

Affiliated Faculty Member, Program in Ethics in Society

Affiliated Faculty Member, Stanford Center on Longevity

Assistant Professor, by courtesy, School of Medicine, Center for Biomedical Ethics

Resource Faculty Member, Program in Human Biology

Resource Faculty Member, Feminist Studies

Faculty Affiliate, Kadish Center for Morality, Law, and Public Affairs, School of Law,  
University of California, Berkeley

Postdoctoral Fellow, Department of Clinical Bioethics, National Institutes of Health, 1997-1999

*As a member of this then newly expanded interdisciplinary unit directed by Dr. Ezekiel Emanuel, I conducted research on ethical issues involving Alzheimer's patients. I participated in the activities and the intellectual life of the department, including weekly bioethics seminars, clinical ethics consultations, clinical rounds, and deliberations of Institutional Review Boards.*

Lecturer, Department of Philosophy, Georgetown University, 1997-1998

### EDUCATION

Harvard University, Ph.D. Philosophy, 1997

Dissertation: *Rescuing Oblomov: A Search for Convincing Justifications of Value*

Director: T. M. Scanlon

Readers: Christine Korsgaard, Derek Parfit

Princeton University, B.S.E. Computer Science, high honors, 1987

### AREAS OF SPECIALIZATION

Ethics, medical ethics, moral psychology, philosophy of action

### AREAS OF COMPETENCE

History of ethics, social and political philosophy, practical ethics, metaphysics (personal identity, metaphysics of time), logic

"Vanishing Persons and the Authority of the Former Self: Resolving Intra-Agential Conflicts in Advanced Alzheimer's Disease."

"Desire, Caring, and the Structure of Practical Reasons."

Agnieszka Jaworska and Andrew Franklin-Hall, "Impairments of Reason and the Capacity to Love."

#### WORKS IN PROGRESS

*Ethical Dilemmas at the Margins of Agency: Intra-Agential Conflicts and the Capacity to Care.*  
Book project.

"Identificationist Views," commissioned for Meghan Griffith, Neil Levy, and Kevin Timpe (eds.), *Routledge Companion to Free Will*, Routledge, 2015.

"Frontotemporal Dementia and the Capacity to Care."

"Caring and Autonomy: Self-Government without Evaluation or Motivational Hierarchy." To be submitted to *Philosophy and Phenomenological Research*.

"Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'."

"Caring and Alienation."

"Ethics of Neuroscience and Neuroscience of Ethics: A Case Study on Alzheimer's Disease and Acquired Sociopathy." To be submitted to *Science*.

"Demented Patients as Moral Persons: Policy Frameworks." To be submitted to the *Hastings Center Report*.

"The Place of Values, Desires, and Carings in Well-Being." (An updated version of "Well-Being: An Elusive Pursuit.")

"Pathology of Importance: Lessons from Psychopathy."

"Respecting Autonomy of Addicts."

## **GRANTS**

“Love and Human Agency: An Interdisciplinary Investigation” Project, the John Templeton Foundation, 2012-2015 (with Bennett Helm and Jeffrey Seidman): \$640,317

Workshop Proposal Funded, Brocher Foundation, Switzerland, November 2012 (with Bennett Helm): \$11,000

COR (Committee on Research) Research Fellowship, University of California, Riverside, 2011-2013: \$8,000

Chancellor's Strategic Investment Funds Award, University of California, Riverside, 2011-2012: \$26,000

Vice Provost for Undergraduate Education Faculty Grant for Undergraduate Research, Stanford University, 2004-2005

Vice Provost for Undergraduate Education Faculty Grant for Undergraduate Research, Stanford University, 2002-2003

## **HONORS, AWARDS, FELLOWSHIPS**

Visiting Researcher, Brocher Foundation, Switzerland, June 2012, declined

Resident Faculty Fellowship, Center for Ideas and Society, University of California, Riverside, 2010-2011

Erasmus Mundus Scholar in Applied Ethics, selected by the European Commission and the Ethics Consortium of Utrecht University (Netherlands), Linköping University (Sweden), and the Norwegian University of Technology in Trondheim, 2007-2008

Faculty Fellowship in Ethics, Edmond J. Safra Foundation Center for Ethics, Harvard University, 2006-2007, declined

Laurence S. Rockefeller Visiting Fellowship, the University Center for Human Values, Princeton University, 2003-2004

Greenwall Faculty Scholars Program in Bioethics, Greenwall Foundation, finalist, 2003

Career Enhancement Fellowship for Junior Faculty from Underrepresented Groups, Honorable Mention, the Woodrow Wilson National Fellowship Foundation, 2002

Stanford Humanities Center Faculty Fellowship, Stanford University, 2001-2002

Young Scholar Award, Program on Ethics & Public Life, Cornell University, 1999-2000

Postdoctoral Fellowship in Bioethics, Department of Clinical Bioethics, National Institutes of Health, 1997-1999

Graduate Fellowship in Ethics, Program in Ethics and the Professions, Harvard University, 1996-1997

Charlotte W. Newcombe Doctoral Dissertation Fellowship, The Woodrow Wilson National Fellowship Foundation, 1995-1996

Graduate Society Dissertation Completion Fellowship, Harvard University, 1995-1996

Jurzykowski Scholarship, Kosciuszko Foundation, 1994-1995

Princeton Scholarship, Harvard University, 1988-1989

Jurzykowski Scholarship, Kosciuszko Foundation, 1988-1989

Award for Distinguished Work in Philosophy, Princeton University, 1988

Tau Beta Pi Engineering Honors Society, 1986

Nehr Memorial Scholarship, Princeton University, 1983-1987

## **ORGANIZER OF CONFERENCES AND OTHER EVENTS**

“Love and Human Agency” Conference, Franklin and Marshall College, September 2014 (with Bennett Helm and Jeffrey Seidman)

“Love and Human Agency” Essay Competition, May 2014 (with Bennett Helm and Jeffrey Seidman)

“Love and Human Agency” Project Retreat, Carnelian Bay, July 2013 (with Bennett Helm and Jeffrey Seidman)

Interdisciplinary Workshop on “Neuroethics of Caring,” sponsored by the Brocher Foundation, Hermance, Switzerland, November 2012 (with Bennett Helm)

Interdisciplinary Workshop on “The Philosophy and Neuroscience of Caring,” University of California, Riverside, May 2012

## **INTERNATIONAL PRESENTATIONS**

Agnieszka Jaworska and Andrew Franklin-Hall, "Impairments of Reason and the Capacity to Love." Paper presented by Andrew Franklin-Hall as a keynote plenary session lecture at the 32nd Society of Applied Philosophy Annual Conference, St. Anne's College, Oxford University, UK, June 2014.

Open discussion of my work on autonomy and dementia, Retreat of the Research Team of the Sussex Autonomy Project (UK), San Francisco, March 2013.

"Frontotemporal Dementia and Loss of the Capacity to Care?" Presented at the Workshop on "Neuroethics of Caring," Brocher Foundation, Hermance, Switzerland, November 2012.

"Frontotemporal Dementia and Loss of the Capacity to Care." Presented at the Annual Meeting of the International Neuroethics Society, New Orleans, October 2012.

Agnieszka Jaworska and Julie Tannenbaum, "Rearing Relationships as a Key to High Moral Status." Paper presented by Julie Tannenbaum as a keynote plenary session lecture at the Seventh Congress of the European Society for Analytic Philosophy, Milan, Italy, September 2011.

"Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'." Paper presented as part of a lecture series on "Empirical Approaches to Ethics" at le Centre de Recherche Sens, Ethique et Société, a joint research unit of le Centre National de la Recherche Scientifique in Paris and Université Paris Descartes, France, June 2010.

"The Ethics of Managing Dementia." "3Ds of AD" Educational Meeting, Karolinska Institute, Stockholm, June 2010.

"Maladie d'Alzheimer et Respect des Personnes." Workshop on "Advance Directives," Center for Clinical Ethics, Cochin Hospital, Paris, France, June 2010.

"Caring and Autonomy: Self-Government without Evaluation or Motivational Hierarchy." Conference on "Autonomy and Mental Health," the Centre for Research in the Arts, Social Sciences and Humanities, Cambridge University, UK, January 2010.

"On the Status of the Severely Demented." Paper presented as part of an Invited Symposium on "Modeling Trusteeship" at the Annual Meeting of the Pacific Division of American Philosophical Association, Vancouver, Canada, April 2009.

"Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'." Paper presented at the Philosophy Department Research Colloquium, Simon Fraser University, Canada, April 2008.

"Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented at the Philosophy Department Research Colloquium, Utrecht University, the Netherlands, March 2008.

"Caring and Full Moral Standing Redux." Paper presented at the International Workshop on "Human Nature and Bioethics," organized by the Governance in Asia Research Centre at the City University of Hong Kong and the Program on the Ethics of the New Biosciences at Oxford University, Hong Kong, December 2007.

Invited Participant. Workshop on "Genetics in East Asian and Western Contexts," organized by the Centre for Applied Ethics at Hong Kong Baptist University and the Program on the Ethics of the New Biosciences at Oxford University, Hong Kong, December 2007.

Workshop on "Caring and Full Moral Standing." Philosophy Department Research Colloquium, Utrecht University, the Netherlands, September 2007.

"Alzheimer's Patients as Moral Persons." Presented at the Erasmus Mundus Program in Applied Ethics, Utrecht University, the Netherlands, September 2007.

"Desire, Caring, and the Structure of Practical Reasons." Paper presented at the Expert Workshop on Practical Reason and Moral Motivation, Università di Siena, Italy, December 2005.

"The Bare Bones of Autonomy and the Limits of Liberalism." Paper presented at the Expertisecentrum Ethiek in de Zorg, Groningen University, the Netherlands, September 2005.

"Autonomy, Hierarchy, and Caring." Paper presented at the Philosophy Department Colloquium, Utrecht University, the Netherlands, September 2005.

"Maladie d'Alzheimer et Respect des Personnes." Presented at Unité de Recherche et d'Enseignement en Bioéthique, the University of Geneva Medical School, Switzerland, September 2005.

"Caring and Internality." Paper presented in the Moral Philosophy Seminar Series, Oxford University, UK, May 2004.

"Emotional Capacities and Full Moral Standing." Paper presented at the Joint Meeting of the American Society for Bioethics and Humanities and the Canadian Bioethics Society, Montreal, Canada, October 2003.

"The Moral Standing of Alzheimer's Patients: Theory and Policy." Presented at the Second World Congress of Philosophy of Medicine, Cracow, Poland, August 2000.

## **DOMESTIC PRESENTATIONS TO PHILOSOPHICAL AUDIENCES**

"Frontotemporal Dementia and the Capacity to Care." Paper presented at an Invited Symposium at the Annual Meeting of the Pacific Division of American Philosophical Association: "Neuroethics of Caring: Lessons from Frontotemporal Dementia," April 2014.

Comments on Adam Pelser's "Against Frankfurt's Care Ground of Importance" at the "Frankfurt on Care" Session at the Annual Meeting of the Pacific Division of American Philosophical Association, San Diego, April 2011.

"Moral Status of the Underdeveloped and the Cognitively Impaired: Progress towards the Commonsense View." Paper presented with Julie Tannenbaum at the 4<sup>th</sup> Annual Society for Ethical Theory and Political Philosophy, Northwestern University, May 2010; the Philosophy Works in Progress Workshop, Claremont Colleges, April 2010; the Philosophy Department Colloquium, California State University, Chico, March 2010; and as a keynote address at the Alumni Conference, Department of Philosophy, University of California, Riverside, March 2010.

"Moral Status of the Cognitively Impaired: Progress towards the Commonsense View." Paper presented with Julie Tannenbaum at the 12<sup>th</sup> Annual Southern California Philosophy Conference, Claremont Colleges, November 2009.

"Caring and Autonomy: Self-Government without Evaluation or Motivational Hierarchy." Paper presented at the Workshop on Narrative and the Construction of the Self, University of Pennsylvania, March 2008.

"Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'." Paper presented at the Philosophy Department Colloquia at San Francisco State University, University of New Mexico, and Ohio State University, January-February 2008.

"Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Presented at the Philosophy Department Colloquia at University at Albany, SUNY, University of California, Riverside, University of Virginia, January-February 2008.

"Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented in the Symposium on Cognitive Disability and Agency at the Annual Meeting of the Eastern Division of American Philosophical Association, Baltimore, December 2007.

"Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented at Symposium on Autonomy and Advance Directives at the Annual Meeting of the Pacific Division of American Philosophical Association, San Francisco, April 2007.

"Caring and Full Moral Standing." Paper presented at the Ethics Reading Group, University of California at San Diego, November 2006.

"Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'." Paper presented at the Philosophy Department Colloquium, University of California at San Diego, November 2006.

"Caring and Full Moral Standing." Paper presented at the Symposium on Evil and Psychopathy, University of San Francisco, April 2006.

"Desire, Caring, and the Structure of Practical Reasons." Paper presented at the Annual Meeting of the Pacific Division of American Philosophical Association, Portland, March 2006.

- "Autonomy, Hierarchy, and Caring." Paper presented at the Philosophy Department's Agency Workshop, University of California, Riverside, February 2006.
- "Autonomy, Hierarchy, and Caring." Paper presented at the Philosophy Department Colloquium, University of Oklahoma, December 2005.
- "Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'." Paper presented at the Philosophy Department Colloquium, University of California at Los Angeles, December 2005.
- "Autonomy, Hierarchy, and Caring." Paper presented at the Social Ethics and Normative Theory Mellon Workshop, Stanford University, October 2005.
- "From Caring to Self-Governance: the Bare Bones of Autonomy." Paper presented at the Annual Meeting of the Central Division of American Philosophical Association, Chicago, April 2005.
- "Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented at the Ethics at Noon Forum, Stanford University, November 2004.
- "Caring and Full Moral Standing." Paper presented at the Bay Area Forum for Law and Ethics, the Kadish Center for Morality, Law, and Public Affairs, University of California at Berkeley, October 2004.
- Invited Participant. Thirty-Sixth Oberlin Colloquium in Philosophy, Oberlin College, April 2004.
- "Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented at the DeCamp Bioethics Seminar, Princeton University, February 2004.
- "Caring, Identification, and Internality." Paper presented at the Philosophy Department Colloquium, New York University, December 2003.
- "Moral Psychology in Practice: Lessons from Alzheimer's Disease and the 'Terrible Twos'." Paper presented at the Political Philosophy Colloquium, Princeton University, November 2003.
- "Caring and Identification." Paper presented at the Bay Area Forum for Law and Ethics, the Kadish Center for Morality, Law, and Public Affairs, University of California at Berkeley, April 2003.
- "Catastrophic Emotions and Respect for Autonomy." Presented as part of an "Author Meets Critics" session on Jodi Halpern's book *From Detached Concern to Empathy* at the Annual Meeting of the Pacific Division of American Philosophical Association, San Francisco, March 2003.
- "Reasons, Desires, and Conferring of Status." Paper presented at the fall meeting of the Pacific Division of Society for Women in Philosophy, San Francisco State University, November, 2002.
- "Caring and Identification." Paper presented at the Social Ethics and Normative Theory Mellon Workshop, Stanford University, October 2002.
- "Moral Psychology in Practice: Lessons from Alzheimer's Disease." Paper presented at the Bay Area Forum for Law and Ethics, the Kadish Center for Morality, Law, and Public Affairs, University of California at Berkeley, March 2002.

"Taking Responsive Attitudes Seriously." Paper presented at the Young Scholars Weekend, Program on Ethics & Public Life, Cornell University, April 2000.

"Respecting the Margins of Agency: Alzheimer's Patients and the Capacity to Value." Presented at Philosophy Department Colloquia at Franklin and Marshall College, University of Florida in Gainesville, Washington University, University of Calgary, Stanford University, University of Washington in Seattle, and University of Wisconsin in Madison, 1999.

"Respecting the Wishes of Alzheimer's Patients: Well-Being, Autonomy, and the Capacity to Value." Paper presented at the Kennedy Institute Noon Seminar, Georgetown University, 1998.

"Practical Identity and the Value of Valuing." Paper presented at the Philosophy Department Colloquia at Georgetown University, University of Illinois at Urbana-Champaign, University of Pennsylvania, and University of Chicago, 1997-98.

"Well-Being as the Unity of Agency." Paper presented at the Workshop on Moral and Political Philosophy, Harvard University, 1995.

### **OTHER INTERDISCIPLINARY PRESENTATIONS AND CONFERENCES**

"Frontotemporal Dementia and the Capacity to Care." Keynote Edwin R. Wallace Lecture in the Philosophy of Psychiatry and Psychoanalysis, 25th Anniversary Annual Meeting of the Association for the Advancement of Philosophy and Psychiatry, San Francisco, May 2013.

"Alzheimer's Patients as Moral Persons." Presented at a Symposium on "Finding Humanity in Advanced Dementia," Washington University in St. Louis, April 2013.

"Dementia and the Capacity to Care." Grand Rounds presentation at the University of California, San Francisco Memory and Aging Center, September 2012.

"Vanishing Persons and the Authority of the Former Self: Resolving Intra-Agential Conflicts in Advanced Alzheimer's Disease." Plenary speaker at the Symposium on "Caring for and about Dementia," organized by the Critical Medical Humanities research group at the University of Washington and supported by the Rabinowitz Endowment for Medical Ethics, April 2010.

"Full Moral Status of the Cognitively Impaired: Rescuing the Commonsense View." Presented with Julie Tannenbaum at the Interdisciplinary Center for the Scientific Study of Ethics and Morality, University of California, Irvine, April 2009.

"Full Moral Status of the Cognitively Impaired: Defending a Commonsense View." Presented with Julie Tannenbaum at the "Bioethics in the 21<sup>st</sup> Century" Conference, Center for Ethics and Values, California State University, Northridge, February 2009.

"Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented at the conference "Cognitive Disability: A Challenge to Moral Philosophy," Stony Brook Manhattan, New York, September 2008.

Invited Workshop Discussant. "Predictive Neuroimaging for Alzheimer's Disease: Ethical Challenges and Future Directions," Stanford Medical School, May 2006.

"Ethical Dilemmas at the Margins of Agency." Presented at the Caltech Laboratory of Emotion and Social Behavior, December 2005.

"Vanishing Persons and the Authority of the Former Self: Dilemmas in Alzheimer's Disease." Paper presented at the Stanford Center for Biomedical Ethics Brown Bag Lunch Series, December 2004.

"Dementia and the Elder Law Attorney: A Philosophical Perspective." Presented for the National Academy of Elder Law Attorneys at the Joint Conference of Advanced Elder Law Institute, the National Guardianship Association, and National College of Probate Judges, Colorado Springs, November 2004.

"Paternalism and Health." Guest on San Francisco's KALW radio program "Philosophy Talk," July 2004.

Invited Discussant. "Disability" Conference at the Jean Beer Blumenfeld Center for Ethics at Georgia State University, May 2004.

Kirschen, M., Drazin, D., Jaworska, A., Atlas, S.W., Raffin, T.A., Illes, J. "Participant Expectations of Incidental Findings in Neuroimaging Research." Abstract for *Society for Cognitive Neuroscience*, San Francisco, April 2004.

"Caring and Full Moral Standing." Paper presented at the Rockefeller Visiting Fellows Seminar, Princeton University Center for Human Values, March 2004.

"Demented Patients as Moral Persons." Presented at Princeton Alumni Day, Stanford University, December, 2002.

"The Ethics of Treatment of 'Marginal Agents': Alzheimer's Patients, Addicts, Sociopaths, and Small Children." Presented at the Stanford Center for Biomedical Ethics, November, 2002.

"Catastrophic Emotions and Respect for Autonomy." Presented as part of an "Author Meets Critics" session on Jodi Halpern's book *From Detached Concern to Empathy* at the Annual Meeting of the American Society for Bioethics and Humanities, Baltimore, October 2002.

"Ethics of Neuroscience and Neuroscience of Ethics: Case Studies on Alzheimer's Disease and Acquired Sociopathy." Presented at the Stanford Brain Research Center, October 2002.

"Full Moral Standing: Lessons from the 'Terrible Twos'." Presented at the Stanford Humanities Center, Stanford University, May 2002.

Invited Participant. "Neuroethics: Mapping the Field" Conference, San Francisco, May 2002.

"Moral Standing of Demented Patients: Reinterpreting Autonomy." Presented at the Annual Meeting of the American Society for Bioethics and Humanities, Nashville, October 2001.

"Respecting the Margins of Agency: Ethical Theory and Research on Alzheimer's Patients." Presented at the Annual Meeting of the American Society for Bioethics and Humanities, Philadelphia, October 1999.

## **RELATED PROFESSIONAL EXPERIENCE**

2011- Member, Human Research Review Board, University of California, Riverside.

2010- Editorial Board Member, Stanford Encyclopedia of Philosophy, Co-editor for Biomedical Ethics.

2011 Referee, Seventh Congress of Analytic Philosophy.

2010-2011 Review Board Member, Wiley-Blackwell's *International Encyclopedia of Ethics*.

2001-2007 Member, Advisory Board for "Advanced Neuroimaging: Ethical, Legal and Social Issues," RO1 NIH/NINDS #NS045831, Center for Biomedical Ethics, School of Medicine, Stanford University.

- 1997-1999 Ethicist on Rounds, Geriatric Psychiatry Unit, National Institute of Mental Health.  
*Advised on day-to-day ethical issues pertaining to medical care and research on human subjects with patients suffering from dementia and bereavement.*
- 1998-1999 Member, Ethics Consultation Team, Ethics Consultation Service, Clinical Center, National Institutes of Health.  
*Participated in clinical ethics consultations on a wide range ethical issues concerning medical care and research on human subjects. Prepared case reports.*
- 1998-1999 Observer, National Institute of Mental Health Institutional Review Board.  
*Participated in ethics review of all internal NIMH research protocols that involved research on human subjects.*
- 1997-1998 Observer, National Institute of Child Health and Human Development Institutional Review Board. *See above.*
- 1987-1988 AI Programmer, Cognitive Science Laboratory, Princeton University.  
*Participated in a team of artificial intelligence researchers developing a theoretical model of thought processes, with special emphasis on the role of explanation in reasoning; designed a computer program that utilized this model to simulate some aspects of human planning, decision making, and belief changes.*
